Happy-Birthday

Bella Campbell

1. Compiling the program make

user@host:~ make

2. Generating the README pdf

user@host:~ make README.pdf

3. Why

3.1.

It's Alex's birthday on the 13th :)

3.2.

Small program jam in c

I learnt c file input/output which seems rather cool :3

Also my first time using groff to write a README
